Result-oriented software engineer with over 6 years of experience in the cutting-edge technology environments. Very versatile job experience. Well-organized and customer-focused with proven project management skills. Eager to contribute to team success through hard work. Motivated to learn and grow.

Work History

12-2020 -
11-2021

Software Architect and Developer

IDF, MATZOV

Key Project: Designed and developed web portal service for application support teams (approximately 20 users). The service was seamlessly integrated with numerous production systems. Served as an architect and a principal developer.
Technologies Used: Python, Flask, React, Spring Boot, Maven, MongoDB, Docker, Jenkins, Openshift.

12-2019 –
12-2020

Team Lead

IDF, MATZOV

Key Project: Led the development of the core operational management system for a mission-critical military infrastructure. Served as a team leader, managing a group of four software engineers.
Technologies Used: Spring Boot, Spring Cloud, Maven, MongoDB, PostgreSQL, Kafka, Docker, Jenkins, Openshift.

10-2018 –
12-2019

Splunk Engineer

IDF, MATZOV

Key Project: Designed, developed, and integrated Splunk infrastructure for the monitoring of the production environment. The infrastructure was successfully integrated with multiple legacy and newly developed software systems and was designed to serve different types of users (senior management, developers and operational workers).
Technologies Used: Splunk, Kafka.

| 12-2015 – 05-2018 | **Full Stack Developer** |
| | IDF, MATZOV |

Key Project: Developed a web service for application support teams (approximately 20 users).
Technologies Used: Spring Boot, Spring Cloud, AngularJS, Maven, Oracle, Docker, Jenkins, OpenShift.

Skills

Java, Python, Oracle database, Git, Spring Boot, React, Docker, MongoDB, Splunk, Linux

Education

| 10-2016 – Current | **Bachelor of Science: Computer Science** |
| | Open University |

| 05-2018 – 10-2018 | **Officers Course IDF** |
| | BHD 1 |

| 03-2015 – 09-2015 | **Computer Programming** |
| | Mamram |

Languages

Hebrew - Mother tongue, English - Very good, Russian - Good
