Freshman, Business and Technology (2019-2020)

PROFESSIONAL EXPERIENCE

VINCO – Israel

07/2022 - 11/2022

Product Analyst - Internship

VINCO is an Israeli based startup focusing on competitive intelligence. Completed multiple research tasks successfully, managed to be in constant communications with our customers and updated them on a weekly basis. Worked closely with the marketing and strategy teams in order to increase the products offerings. Collaborated with the product team on a regular basis in order to complete the tasks on hand. Always available to answer queries and help with tasks beyond my own.

Lev Hasharon Regional Council – Israel

01/2018 - 09/2018

Director of After School Activities

Planned, implemented, and evaluated activities for high school kids aged 9th to 12th grade while operating on a cash budget with 100% accuracy. Actively pursued personal learning and development opportunities. Coordinated between the kids and the council to resolve problems and suggest new ideas. Part of a 4-man team that organized events for kids in 7th to 12th grade on a weekly basis over the summer, with average attendance of 250 kids per event.

Stroum Jewish Community Center – Seattle, WA

11/2016 - 12/2017

Camp Counselor

Collaborated with camp counselors to create a fun and learning atmosphere while maintaining the safety and security of the campers. Kept accurate participant records, including attendance, discipline, medication log, and accident or injury reports. Helped run and maintain sports camp while teaching the kids new sports.

EXTRACURRICULAR ACTIVITIES

- **IDC VC Club** – Learning from industry leaders in the venture capital space, as well as firsthand experience in researching and pitching a startup idea to a panel of partners at various venture capital firms.
- **IDC Investment Group** – Obtaining valuable insights about researching and making investments decisions.
- **IDCrypto & blockchain Club** – Learning from industry experts about the intricacies of crypto and the blockchain network, and what the future of crypto might look like.

VOLUNTEERING

Active in youth movements in both Israel and the USA from the 4th grade until 12th grade. Became a junior counselor in the 10th grade and senior counselor in the 11th grade. In senior year I became the managing director with another person from my grade, and together we ran Beni HaMoshavim youth movement branch in my city which included meeting 3 times a week and a total of 25 hours every week.
