9.3. Applicability. Customer will not export any FireEye Materials to any countries embargoed by the United States (currently including Cuba, Iran, North Korea, Sudan and Syria). Each Party acknowledges that it is familiar with and will comply with the provisions of the U.S. Foreign Corrupt Practices Act ("the FCPA") and the U.K. Bribery Act of 2010 ("UKBA"), as applicable, and each party agrees that no action it takes will constitute a bribe, influence payment, kickback, or other payment that violates the FCPA, the UKBA, or any other applicable anticorruption or anti-bribery law.

10.2. U.S. Government Restricted Rights. The Offerings, Deliverables and Documentation are "commercial items", "commercial computer software" and "commercial computer software documentation," pursuant to DFAR Section 227.7202 and FAR Section 12.212, as applicable. All Offerings and FireEye Materials are and were developed solely at private expense. Any use, modification, reproduction, release, performance, display or disclosure of the Offerings, FireEye Materials and Documentation by the United States Government shall be governed solely by this Agreement and shall be prohibited except to the extent expressly permitted by this Agreement.

11. CONFIDENTIAL INFORMATION.

11.1. Confidential Information. "Confidential Information" means the non-public information that is exchanged between the parties, provided that such information is: (i) identified as confidential at the time of disclosure by the disclosing party ("Discloser"); or (ii) disclosed under circumstances that would indicate to a reasonable person that the information should be treated as confidential by the party receiving such information ("Recipient"). The terms of any commercial transaction between the parties (including pricing related to the Offerings) shall be considered Confidential Information.

11.2. Maintenance of Confidentiality. Each party agrees that it shall: (i) take reasonable measures to protect the Confidential Information by using the same degree of care, but no less than a reasonable degree of care, to prevent the unauthorized use, dissemination or publication of the Confidential Information as the Recipient uses to protect its own confidential information of a like nature; (ii) limit disclosure to those persons within Recipient's organization with a need to know and who have previously agreed in writing, prior to receipt of Confidential Information either as a condition of their employment or in order to obtain the Confidential Information, to obligations similar to the provisions hereof; (iii) not copy, reverse engineer, disassemble, create any works from, or decompile any prototypes, software or other tangible objects which embody the other party's Confidential Information and/or which are provided to the party hereunder; and (iv) comply with, and obtain all required authorizations arising from, all U.S. and other applicable export control laws or regulations. Confidential Information shall not be used or reproduced in any form except as required to accomplish the purposes and

intent of an Order or Statement of Work. Any reproduction of Confidential Information shall be the property of Discloser and shall contain all notices of confidentiality contained on the original Confidential Information.

11.3. Exceptions. The parties agree that the foregoing shall not apply to any information that Recipient can evidence: (i) is or becomes publicly known and made generally available through no improper action or inaction of Recipient; (ii) was already in its possession or known by it prior to disclosure by Discloser to Recipient; (iii) is independently developed by Recipient without use of or reference to any Confidential Information; or (iv) was rightfully disclosed to it by, or obtained from, a third party. Recipient may make disclosures required by law or court order provided that Recipient: (a) uses diligent efforts to limit disclosure and to obtain, if possible, confidential treatment or a protective order; (b) has given prompt advance notice to Discloser of such required disclosure; and (c) has allowed Discloser to participate in the proceedings.

11.4. Injunctive Relief. Each party will retain all right, title and interest to such party's Confidential Information. The parties acknowledge that a violation of the Recipient's obligations with respect to Confidential Information may cause irreparable harm to the Discloser for which a remedy at law would be inadequate. Therefore, in addition to all remedies available at law, Discloser shall be entitled to seek an injunction or other equitable remedies in all legal proceedings in the event of any threatened or actual violation of any or all of the provisions hereof.

11.5. Return of Confidential Information. Within thirty (30) days after the date when all Orders and SOWs have expired or been terminated, or after any request for return of Confidential Information, each party will return to the other party or destroy all of such other party's Confidential Information, at such other party's discretion, and, upon request, provide such other party with an officer's certificate attesting to such return and/or destruction, as appropriate. Notwithstanding the foregoing, each party may retain additional copies of, or computer records or files containing, the Confidential Information of the other party that have been created by that party's electronic archiving and back-up procedures, to the extent created and retained in a manner consistent with the Receiving Party's standard procedures.

11.6. Privacy. If FireEye is a data processor under this Agreement, and in accordance with applicable data protection laws, including but not limited to the EU General Data Protection Regulation (GDPR), FireEye agrees that it will:

11.6.2 adopt and maintain appropriate (including organizational and technical) security measures in processing Customer's personal data in order to protect against unauthorized or accidental access, loss, alteration, disclosure or destruction of such data, in particular where the processing involves the transmission of data over a network, and against unlawful forms of processing;

11.6.3 take reasonable steps to ensure that (i) persons employed by it, and (ii) other persons engaged at its place of work, are aware of and comply with applicable data privacy laws and regulations.; and

11.6.4 provide Customer access to a list of current sub-processors that may handle personal data at FireEye's direction.

11.6.5 FireEye may process or otherwise transfer any personal information in or to any country outside of the country of origination, including such countries with less restrictive data protection laws, to the extent necessary for the provision of the Offerings. If required and where applicable, FireEye will enter into mutually agreed-upon country-specific data transfer mechanisms, including the EU-US Privacy Shield framework and the EU Standard Contractual Clauses as approved by the European Commission, to help ensure an adequate level of data protection for the personal data that will be processed or transferred. FireEye does not react to Do Not Track signals because there is no standard for how those signals are sent

11.6.6 Customer agrees it is responsible for obtaining any applicable consents from data subjects for Customer's use of FireEye to process Customer's data.

12. TERM AND TERMINATION.

12.1. Term. This Agreement will become effective on the Effective Date and will continue in effect for a period of one (1) year (the "Initial Term" of the Agreement). This Agreement will renew for additional periods of one (1) year each (each, a "Renewal Term" and together with the Initial Term, the "Term" of this Agreement)

unless either party notifies the other of its intent not to renew this Agreement by giving the other party notice of non-renewal no later than sixty (60) days prior to the end of the then-current Term. The term of each Order will be as set forth below or in the applicable Schedule, and the term of each SOW will be as set forth in the applicable Statement of Work.

12.1.1 Products. Products will be licensed according to the applicable Schedule, for the period of time stated on the Order (e.g., if the Order lists a Product as being provided for "3Y," the license for that Product is provided for three years from the date of the Order). If no period of time is stated on the Order, then the Product is licensed perpetually, unless otherwise terminated as set forth herein.

12.1.2 Support Services. Support Services will begin on or shortly after the Order Effective Date (as determined by FireEye) and will continue in effect for the period of time stated in the Order ("Initial Support Term"). Unless otherwise stated on the Order, the Support Services will automatically renew for additional periods of one (1) year each (each, a "Renewal Support Term" and together with the Initial Support Term, the "Support Term"), unless either party notifies the other of its intention not to renew Support Services at least sixty (60) days prior to the expiration of the then-current Support Term. Customer may terminate Support at any time, for convenience, on thirty (30) days' written notice to FireEye. If Customer terminates Support Services for convenience before the end of the then-current Support Term, Customer will pay any remaining fees owing for the remainder of the then-current Support Term within thirty (30) days of the effective date of termination.

12.1.3 Subscriptions. The term of each Subscription will begin on or shortly after the Order Effective Date (as determined by FireEye) and will continue in effect for the period of time stated in the Order ("Initial Subscription Term"). Unless otherwise stated on the Order, the Subscription will automatically renew after its Initial Subscription Term for additional periods of one (1) year each (each, a "Renewal Subscription Term" and together with the Initial Subscription Term, the "Subscription Term"), unless either party notifies the other of its intention not to renew that Subscription at least sixty (60) days prior to the expiration of the then-current Subscription Term. Customer may terminate a Subscription at any time, for convenience, on thirty (30) days' written notice to FireEye. If Customer terminates a Subscription for convenience before the end of the then-current Subscription Term, Customer will pay any remaining fees owing for the remainder of the then-current Subscription Term within thirty (30) days of the effective date of termination.

12.1.4 Professional Services; Statements of Work. Professional Services described on an Order will be provided at mutually agreed-upon times, and will continue until complete, unless otherwise terminated as set forth herein. The term of each SOW will be as set forth in that SOW. If no term is expressed in an SOW, then the term of that SOW will begin on the SOW Effective Date and continue until the Professional Services described in that SOW are complete or the SOW is earlier terminated as set forth herein. Unless otherwise stated in a SOW, Customer may terminate a SOW at any time for convenience by giving FireEye at least thirty (30) days' written notice of its intent to terminate the SOW. If Customer terminates an SOW for convenience as set forth in this Section, Customer will pay any amounts owing for Professional Services and Deliverables provided under that SOW up to and including the date of termination. Customer may request that FireEye suspend performing Professional Services during the term of a Statement of Work, and FireEye will suspend such Professional Services within 24 hours of Customer's request. Customer acknowledges that any such suspension will not affect Customer's obligation to pay fees for Professional Services rendered through the date of suspension, and that resumption of Professional Services may be delayed if FireEye redeploys personnel to other engagements during the period of suspension.

12.2. Termination for Material Breach. Either party may terminate this Agreement, any Order or any SOW upon written notice of a material breach of the applicable Agreement, Order or SOW by the other party as provided below, subject to a thirty (30) day cure period ("Cure Period"). If the breaching party has failed to cure the breach within the Cure Period after the receipt by the breaching party of written notice of such breach, the non breaching party may give a second notice to the breaching party terminating the applicable Order or SOW. Termination of any particular Order or SOW under this Section will not be deemed a termination of any other Order or SOW, unless the notice of termination states that another Order or SOW is also terminated. Notwithstanding the foregoing, the Cure Period applicable to a breach by Customer of any payment obligations under any Order or any SOW will be fifteen (15) days. Notwithstanding the foregoing, this Agreement shall terminate automatically in the event Customer has breached any license restriction and, in FireEye's determination, that breach cannot be adequately cured within the Cure Period.

12.3. Effect of Termination. Termination or expiration of any Order or SOW will not be deemed a termination or expiration of any other Orders or SOWs in effect as of the date of termination or expiration, and this Agreement will continue to govern and be effective as to those outstanding Orders and SOWs until those Orders and SOWs have expired or terminated by their own terms or as set forth herein. Expiration or termination of this Agreement will not constitute or be construed as termination or expiration of any Orders or Statements of Work that have not also been terminated or expired by their own terms, and this Agreement will continue to govern any Orders and Statements of Work entered into prior to the date of termination or expiration of this Agreement until those Orders and Statements of Work have terminated or expired by their terms. The provisions of Section 3 (Payment), Section 6 (Intellectual Property), Section 7.5 (Disclaimer of Warranties), 9 (Limitation of Liability), 10 (Compliance with Law; U.S. Government Restricted Rights), 11 (Confidential Information), and 13 (Miscellaneous), and all accrued payment obligations, shall survive the termination of all Orders and SOWs and the relationship between FireEye and Customer.

This Agreement may be amended only in a writing signed by authorized representatives of both parties.

13.3. Force Majeure. 13.8. Severability. If any provision of this Agreement is held to be illegal, invalid or unenforceable under the laws of any jurisdiction, the provision will be enforced to the maximum extent permissible so as to effect the intent of the parties, and the remaining provisions of this Agreement will remain in full force and effect.

13.9. Third Party Rights. Other than as expressly set out in this Agreement, this Agreement does not create any rights for any person who is not a party to it and no person who is not a party to this Agreement may enforce any of its terms or rely on any exclusion or limitation contained in it.
